

PMA Cobot

Robot and automation

The PMA Cobot Cable Protection Kit offers an easy-to-use dress pack solution for collaborative robots, allowing to fasten, rout and protect cables & tubes. The KIT includes PMA Cobot Conduit Holders, a PMA Cobot Strain Relief (additionally with a BFH-0 for mounting) and a 3m sample of the XTPC multilayer conduit, featuring a wear indication function.

Content of delivery:

- 2x BCCH - Cobot Conduit Holder
- 1x BCSR - Cobot Strain Relief Ring
- 1x BFH-0 System Support
- 1x 3m XTPC multilayer conduit
