

DKLK - Swivel base

Used in combination with BSH tube clamps

- For automation and robotic applications
- Robust construction
- Sealed high quality bearing with minimal play
- Allows rotation of cable pack supports
- Suitable for high mechanical forces in all assembly positions
- BSH tube clamp easy to install on the bearing with central screw
- Cylinder pin prevents twisting of the clamp on the bearing
- Black anodised aluminium
- Free from halogens and cadmium

Compatible with:

- PMA Automation - BSH - Tube clamp

Specification

TEMPERATURE RANGE	-50°C....+105°C
HALOGEN-FREE	Yes
