

KL50 - Aluminium enclosure for LAN 330-2 and LAN 50-series

Enclosure for assembly of supervisionpanels in the LAN 330-2 and LAN 50-series.

Enclosure made of anodized aluminium.

KL50-1 for assembly of 1 alarmpanel.

KL50-2 for assembly of 2 alarmpanels.

KL50-3 for assembly of 3 alarmpanels.

NOTE! When a relaycard is mounted on the panel, the depth gets to big for the enclosure.
